I was looking for inspiration for this week's devotions, so I googled 'Bible inspiration for February' and this is what came up... **Bible verses for Valentine's Day!**

Valentine's Day is not just for married couples or lovebirds. Use these verses to bring you back to true, genuine love of God and others.

February 11-17, 2019

Monday: John 3:16 Reflect on God's love for you. Are you open to accepting that deep love? Pray in thanksgiving for God's love coming down to us through His son, Jesus Christ.

Tuesday: Psalm 37:4 Delight. Somehow I don't think we think about delighting in God. We fear, we worship, we honor, but do we just sit in His presence and delight in what He offers our life? Sit with God today and just delight in His presence.

Wednesday: Mark 12:33 How much easier it is to do work; as some would say, earn Jesus' points. We know that is not how it works, yet somehow we get caught up in doing good work and we neglect the love. Pray through this verse as you seek out love.

Thursday: Valentine's Day: Genesis 29:20 and Romans 12:9 How did I miss this Genesis verse? It is so beautiful! I pray that you are able to serve those you love fully for many years, and that those years feel like mere minutes of time. Pray for God to weave genuine love in all your relationships.

Friday: Colossians 3:14 Love and harmony. Somehow we have misplaced both of those elements. Pray, seeking God's presences to bind love and harmony into your life and relationships.

Saturday: 1 John 4:7-12 What more do we need to know than the title of these verses – **God is Love**? Sit in prayer soaking up the love that God is raining down on you. Personally, I may want to just lie on my back so I get a full body raining down of love. How about you?

Sunday: 1 John 4:19 *We love because he first loved us.* Just as we learned many things from our parents and our children learn many things from us, our Father in Heaven has taught us all we need to know about love. Now we just need to take those lessons and apply them in this world. Pray for courage and strength to apply this most important lesson of LOVE.
